Star to Western Utah Copper Company, OK Copper Mine, S/001/039,
Beaver County, Utah

Dear Mr. Angrisano:

On October 6, 2005, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer your small mine project located in Section 7, T27 S, R11W, Beaver County, Utah to Western Utah Copper Company.

The Division Director signed and executed the transfer document on October 14, 2005 *which effectively transfers the responsibility of this mining operation and reclamation to Western Utah Copper Company.* A copy of the executed transfer form is enclosed for your files. You are now released from any responsibility for mining and reclamation obligations for this project; **however, there may be outstanding penalties associated with the Cessation Order that was issued for this site which you will still be obligated to address.**

Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5325.

Sincerely,

Susan M. White
